Chapter

October 11, 2010

Greetings. Here is an update on what we have to look forward to very soon—

**Upcoming event for October:** We will hold a breakfast meeting this month and we will continue with our “political” and “financial” topics when we will be honored with candidate and present **State Auditor Tom Wagner**. Mr. Wagner has graced us in the past with visits and is a lively speaker who no doubt will tell us a bit more about his experiences serving as Delaware’s Auditor of Accounts since 1989, where he has taken a “tough stance on fraud in state and local government”. He counts as one of his major accomplishments, his fight to audit all school districts and DELDOT and to identify “millions of dollars in cost savings to taxpayers.” Make sure to set aside some time and **to join us for breakfast on Tuesday October 26, 2010 at the Christiana Hilton in Newark**. We will also extend an invite to members of the Financial Executives Institute for this event. Hopefully some will be able to attend so please extend a warm welcome!

Also, in addition to this IMA event, the Financial Executives Institute (Delaware Chapter) has graciously reached out and extended an invite to all IMA members and friends for **FEI’s October luncheon, which will be held at the DuPont CC on October 19, 2010**. A separate notice was sent providing details and registration information. If you have additional questions regarding this FEI event, please contact Lisa Johnson at 302-992-4937.

**Guest speaker for this FEI event will be Charles Elson, Director of Center for Corporate Governance at the University of Delaware.** Elson’s fields of expertise include corporations, securities regulation and corporate governance, and he has written extensively on the subject of boards of directors. He is a frequent contributor on corporate governance issues to various scholarly and popular publications. It is not often that we have a chance to have a lovely lunch AND hear a nationally renowned expert on those topics so please try to make it to this event!

So, in summary, **two excellent event offerings await you for October – one a breakfast and one a luncheon**. Please give it some thought and try to make it to these events. We hope to see you soon.

Respectfully yours,

*Keith Fleury*
